Uptown Martinsville Is experiencing significant growth and a multitude of changes through the revitalization efforts of its leaders and citizens. The area is a strong cultural, educational and recreational center for residents and tourists.

The new Virginia Museum of Natural History is under construction and will open in March 2007. This facility will bring students and tourists to the area to view it's priceless collection of Natural History artifacts.

- ❖ The 14-17 Million Dollar state facility is affiliated with the Smithsonian Institution
- ❖ This state-of-the-art museum is staffed with researchers recognized world-wide

A new Sports Field House and Arena will begin construction early in 2007. This facility will accommodate civic and sports events, concerts and other entertainment needs.

- ❖ 80,000 sq ft, 16 Million Dollar Facility
- ❖ 35,000 sq ft Field House, 30,000 sq ft multi-purpose Arena, 7,500 sq ft fitness center

The Piedmont Arts Association is located on Starling Avenue, just blocks from the shopping center. It houses a museum exhibiting art in a large variety of media and hosts many cultural events throughout the year that draw people from a wide regional area.

Uptown Martinsville hosts three institutes of higher learning with growth potential requiring more space and opportunities for new businesses and services to support them..

THE NATIONAL COLLEGE

- ❖ Located within the Jefferson Plaza since 1978
- ❖ Enrollment is approximately 200 students attending night and day classes

PATRICK HENRY COMMUNITY COLLEGE

- ❖ **UPTOWN SITE** Offers classes in Adult Education, GED preparation, English as a Second Language, and building trade courses such as masonry and heating and air-conditioning.
- ❖ **ARTISAN CENTER** Classes in crafts, which include Stained Glass, Fine Woodworking, Pottery, Decorative Painting, Weaving, Quilting, and Metalworking are offered at PHCC's School of Crafts and Design. The center is also used as a gallery to showcase the talents of both PHCC's students and area residents. The Martinsville-Henry County Visitor Center is also located in this building.

NEW COLLEGE INSTITUTE (of Virginia)

- ❖ A start-up state supported college which began classes in fall of 2006 in partnership with established universities in the Commonwealth including the University of Virginia, Virginia Tech, Averett University and Longwood College
- ❖ Designed to be the latest four year college in the Virginia state educational system which is also aimed at providing incentive for growing Economic Development in the Martinsville-Henry County area.
- ❖ Since starting in September 2006, the college is already expanding in the Uptown area and plans to double their course offerings in 2007.

Within a three mile radius of the property you will also find many restaurants, shops, offices and personal services.
